NINE MILLIONS FOR THE OWNERS OF BONDED TEA

Repeal of War Tax Means Much, it Is Said, to Importers Who Have Stock Stored.

Measure Passes the Senate With the Bill For the Protection of the President.

The owners of the teas now in this country in bond, he said, would get the benefit of the removal of the duty to the amount of \$3,0.0,000. Since the duty had been levied upon tea the United States has been receiving a better quality of tea, which had been supplied to the people at no increased price. He said, too, that the experiment of tea culture was being made in South Carolina and he believed it would be successful. This was a "baby" industry and really needed, the protection. The tea culture industry gave occupation to many colored children and might do much other good.
